

How to sign up for Text Alerts (SmartHub App)

<p>1. Log in to your SmartHub account and click "Menu".</p> 	<p>2. Click on "Settings".</p> 	<p>3. Click on "Contact Methods".</p> 	<p>4. Click "Phone" under Add New Contact Method.</p> 
<p>5. Enter your phone number and check the "Receive Text Messages" box. Click "Continue".</p> 	<p>6. Read the Terms & Conditions and click "Accept" to continue.</p>  <p><small>I agree to receive periodic SMS messages from WCTel at the number(s) identified above. I understand that SMS messages may relay information about my account, and that I can opt out of receiving SMS messages at any time. I am not required to provide consent as a condition of purchasing any property, goods or services. WCTel does not guarantee delivery of SMS messages and no warranty is provided for undelivered messages. I agree to notify WCTel immediately in the event that I voluntarily or involuntarily relinquish any registered telephone number(s). I agree to indemnify WCTel against any claims resulting from WCTel sending SMS messages to someone other than me, in the event that I voluntarily or involuntarily relinquish telephone number(s) identified above without notifying WCTel of the change, and understand that I am responsible for keeping WCTel informed when any of my contact information changes. Standard message data rates may apply. T-Mobile is not liable for delayed or undelivered messages.</small></p> <p><small>Message and Data Rates May Apply Customer care contact information (text HELP to 676767).</small></p>	<p>7. Enter the verification code that was sent to the entered phone number.</p>  <p>Text message verification code example</p> 	<p>8. Click the back arrow to return to the settings screen.</p> 
<p>9. Click on "Manage Notifications".</p> 	<p>10. Click on "Condensed Mode".</p> 	<p>11. Click on each Notification category and check the box next to the registered phone number. Then click "Save".</p>  	

Congratulations! You are now set up to receive text message notifications about your account and services!
